## UAV-g 2015

### International Conference on Unmanned Aerial Vehicles in Geomatics *sUAS: A Disruptive Technology for Geomatics*

**August 30–September 2, 2015**  
**York University, Toronto, Canada**  
[www.uav-g-2015.ca](http://www.uav-g-2015.ca)

The aim of UAV-g 2015: *sUAS: A Disruptive Technology for Geomatics* is to bring together experts in photogrammetry and remote sensing, surveying, robotic mapping, computer vision, artificial intelligence, aerospace engineering, geosciences and various users’ communities. Researchers, developers, service and systems providers as well as users are invited to contribute with presentations, posters, exhibitions, live demonstrations and discussions to create synergies between research and applications using UAV in Geomatics.

The Exhibition will provide an opportunity for companies and organisations to highlight their products and services, and promote their interest to professional delegates.

The exhibition will open on Monday August 31, 2015 at 10:30 and will be closed on Wednesday September 2, 2015 at 16:30. The exhibition during the demonstration date at the airfield on Tuesday September 1, 2015 will open at 10:00 and close at 15:00.
